**PC Paramedics**  
Business Care

# When you manage a small business, IT support is a luxury. But what do you do if the worst happens?

Wouldn't it be great for you to have peace of mind, that your small business IT systems are supported and kept running.

It can be stressful, even deal breaking to find yourself in the position of losing your data from your PC - especially when you don't have to! You just need to know the right people who can help you!

## That's where PC Paramedics come in...

We work with many small businesses to ensure their IT problems are fixed as quickly as possible, enabling them to carry on with their day work without too much disruption. Ensuring that they can stay focused on the things that matter - like growing and maintaining the business.

Small Business Care Plan is a range of services and free products designed to save money and keep your IT investments running properly. With PC Paramedics' highly experienced technicians that are ready to support you and your computers, Small Business Care Plan will save you money and give you peace of mind that your IT maintenance costs are capped.

## Small Business Care Plan £10 per PC per month + VAT

When you sign up to the Small Business Care Plan, you will automatically receive the following standard benefits on an annual basis:

- All labour costs are free (registered PCs only).
- All purchases discounted by 10%
- Annual health check and report on each PC, which includes downloading and installation of all updates and patches, normally priced at £75
- On-site fix, or collection and delivery including reconnection to your network
- Network/server problems fixed @£75 per hour.
- Help desk support free of charge.
- Monthly e-mail newsletter with useful information and in-store special offers.

*Huge potential savings with  
Small Business Care Plan!*

\* In order to qualify for support with Small Business Care Plan, your business should not be running a server. Small Business Care Plan covers all PCs entered in the scheme, any servers requiring support are chargeable at usual PC Paramedics rates, and are therefore excluded from the Small Business Care Plan offering.
